

## **AUVESY is mindful of its social responsibility**

07.01.2017 13:14

Living up to its corporate social responsibility should be an important part of any company's culture, including medium-sized enterprises such as AUVESY. We do not want to be judged solely on our economic success, but also on how conscious our actions are of our greater responsibilities. Helping people who urgently need help is something that we as a company feel the need and duty to do.

Since 2008, we have been donating to a range of charitable organisations. This year, we have decided to publish the list of recipients in the hope that doing so might provide further impetus to others to remain mindful of those less fortunate.

AUVESY donated to the following organisations in 2016:

Brot für die Welt  
Haus der Familie  
Bundespolizei Stiftung  
Deutsches Komitee für UNICEF e.V.  
DGzRS - Die Seenotretter  
KGgP e.V. Keine Gewalt gegen Polizisten  
SOS Kinderdorf  
Terre des Hommes  
Welthungerhilfe  
Förderkreis der Förderschule Annweiler für lernbehinderte Kinder  
Ärzte ohne Grenzen (Médecins Sans Frontières)  
Kindernothilfe  
Weisser Ring  
Hilfe für verlassene Kinder e.V.
